APPEAL TO STUDENT FRATERNITY

The University of Hyderabad has always prided itself on fostering a culture of democratic discourse on our campus, while maintaining high academic standards that have earned us national recognition. It is in that spirit that the University administration has been open to facilitating a whole spectrum of student activities, including those that articulate a range of political opinions and express dissent.

We sincerely appeal to all student groups to exercise their freedom of expression in a peaceful manner without obstructing regular activities in public spaces meant for all sections of the University. The University has earmarked large enough spaces for holding student meetings and demonstrations, including the various auditoriums. Similarly, the administration requests the student community to make use of designated boards spread across the campus for democratic expression of their views, without defacing the walls and physical structures of the University.

Even as they engage in public discourse, it is our fond hope that our students will do nothing to provoke or incite passions among any section of our community, and will do everything to uphold amity and goodwill on the campus.

DEAN, STUDENTS' WELFARE
