Paryvaran Samrakashan Gatividhi (PSG) is organizing a National Youth Conference on “**Vayu: The Vital Force of Life**” based on “Sumangalam, Panchmahabhoot” with an idea of developing sustainable life on the basis of five elements. The conference is being coordinated by Institute of Climate Change Research under the Maharaja Sayajirao University of Baroda, Vadodara with support from Ministry of Environment, Forest and Climate Change, GoI and Central Pollution Control Board and the venue for the final presentation will be Campus-II, Siksha O Anusandhan University, Bhubaneshwar.

Participation is anticipated from students amongst Universities in all parts of the country with an idea to sensitize the Youth about the significance of air in our life and the various issues faced by us due to pollution greenhouse gas effect, climate change and several other causes. Participants can present their ideas in the form of papers / posters / case studies based on various themes related to the conference as mentioned in the enclosed brochure.

As per the framework of the program, maximum number of students at each department level. Two best entries from each department will be sent to Faculty for level II competitions. After screening of entries, three best entries from each university will be sent to regional level from each University for regional level competitions. The jury decided by PSG will be short-listing 100-150 best entries received at Regional level competition for the final presentations at Bhubaneshwar.

In view of the above, we request all the students' community to send their ideas in the form of papers / posters / case studies based on various themes related to the conference as mentioned in the enclosed brochure. The last date for receipt of such ideas from students will be on 12.09.2022 (Monday) by 3.00 pm and all such ideas will be evaluated by the identified Faculty of the University and the best entries will be further forwarded for participating at Regional competitions as envisaged.
