The Future Research Talent travel award program is open only to students from specific collaborating institutions in India. Every collaborating institution is provided with a unique Nomination ID. Please ask your institution to provide you with your unique Nomination ID.

If your institution has not received nomination IDs, please ask them to contact frt.science@anu.edu.au. Unfortunately, you can't apply until a Nomination ID is supplied. If your Nomination ID is incorrect or incomplete in any way, your online application will be marked invalid and not processed further.

2 x Academic Reference Letters

You must provide two academic reference letters from staff who have supervised your academic work. Your supervisors may use this [template](#) (but they do not have to - we will accept reference letters in any format preferred by your supervisors).

Your supervisors may prefer to send their reference directly to ANU. If so, they will

need to email it (with your name and unique nomination ID in the subject line) to frt.science@anu.edu.au by **06 November 2022**.

Provide academic references (please specify how we will receive your references) *

☐ Upload academic reference letters

I have spoken to my supervisors/academic referees who will send reference letters directly to frt.science@anu.edu.au by 06 November 2022..

Any other documents that you would like to attach / submit as part of your application?
