2023 FUTURE RESEARCH TALENT (FRT) PROGRAM

INDIA

Travel to The Australian National University (ANU) in Canberra, Australia in 2023 to complete a collaborative research project

- > May – August 2023
- > AUD\$7,000 grant
- > Selected institutions in India
- > Applications open: 01 September 2022
- > Applications close: 31 October 2022

2023 FRT program will provide selected Indian students with an opportunity to travel to ANU to pursue collaborative research, for a period of 10-12 weeks, in a range of Science, Health and Medicine disciplines.

The FRT is a competitive and prestigious program attracting the best students from top-tier Indian institutions. The program allows India's emerging research talent to form international connections and develop research skills at Australia's best university*.
