Dear Sir,

The National Human Rights Commission, India regularly organizes a prestigious Short Term Internship (STI) Programme for the Graduate & Post Graduate level students of different streams from all over India & particularly those who are studying Law, Social Sciences and Human Rights.

2. It is our endeavor to enrich the horizon of the students, as they would have an opportunity to interact with such senior Government officers. It would be a matter of privilege and unparalleled learning experience. However, because of Covid-19 pandemic, the commission has decided to hold the internship through the online mode from 14.09.2020 to 29.09.2020.

3. The internship would be held through either CISCO Webex - digital platform, where the student interns and the speakers would interact on real time basis. Even the questions of the students can be addressed. The Speaker and the students would link up from the comfort of their home/premises. The student interns are drawn from Universities all over the country and selected through a rigorous selection process. Therefore, we request you to circulate this information amongst students for the encouraging the online participation from UG, PG, etc. courses from various streams. Students from Law stream are given preference.
