APPEAL

Dear Students,

At the very outset, as all of us know, we are going through an unprecedented global predicament today. Each one of us and the entire world is affected by the coronavirus pandemic; our economy, our families, communities and our entire way of life are adversely affected by the scare of infection and contagion. I would like to share your anxiety and preoccupations and express my solidarity with you and your family.

As you know, the present situation demonstrates alarming increase in COVID-19 cases in our campus. A cross-section of the community, including students, scholars, teaching, non-teaching, administrative and support staff and their family members have been affected and at present, nearly 15-20 students have been isolated at Lake View Guest House (LVGH) and the number keeps on surging every day. The situation demands utmost care and caution.

My dear students, keeping in mind your health and wellbeing, all the Students and Scholars are requested to leave to their native place.

Stay home; Stay safe!

Take Care,
