

UNIVERSITY OF HYDERABAD

Lr.No.UH/Reg/2021

Date: 03.07.2021

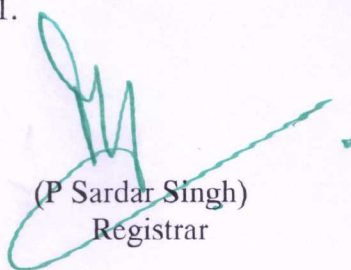

Advisory to Students on Conservation of Campus Biodiversity

This has reference to the Circular dated 18.06.2021 issued by the University on prohibiting certain activities such as smoking, paper burning, campfire, bonfire, effigy burning, mashaal juloos, garbage burning etc anywhere on the campus as they are hazards to the Campus Biodiversity. You are all aware that there are many endangered species requiring wildlife protection with serenity.

The Forest Department of Telangana too has been cautioning the University from time to time to take all required steps to protect wildlife sanctuary in the campus. Therefore, the students are cautioned not to resort to the said activities which are prohibited in and around the campus. Further, the students are also advised not to venture into the campus forest areas for any reason whatsoever it may be, in their own interest and in the interest of the Campus Biodiversity to protect the ecosystem and variety of wildlife species on the campus.

Violation of the above norms shall be viewed seriously and appropriate disciplinary action shall be initiated against such individuals/groups.

This issues with the approval of the Competent Authority dated 03.07.2021.
