### APPEAL TO THE STUDENTS

It has been observed from the past few days that series of unwarranted cases such as a) tussle between groups of students b) sexual harassment c) ragging and d) alcohol consumption are happening in our University campus.

I take this opportunity to appeal to all the Students of our University, particularly Hostel boarders to please make note of the above and advised not to involve in such cases. If any student(s) are found involved in such cases, they will be punished under "Rules of Discipline and Proper Conduct for the Students of UoH" including legal implications.

Hence, I once again sincerely appeal to the Students to be very cautious and not to indulge in such cases which may affect the career as well as peaceful atmosphere in the Campus.
