Dear Vice Chancellor/Director,

A three-day Annual National Conclave of 12th Bharatiya Chhatra Sansad (Indian Students' Parliament), will be held from 15th to 17th September 2022, at MIT World Peace University, Pune.

Since the year 2011, the platform of Bharatiya Chhatra Sansad has been organizing its annual national conclave with the view to highlight the relevance of youth in policy making and for elevation of the quality of governance. The Conclave encourages independent thinking and socio-political initiative in young students and facilitates the learning of crucial social and political skills. This helps in mobilizing the youth of our country in understanding the importance of citizenry and participation of youth in democratic processes. This is organized with the support of Ministry of Youth Affairs and Sports, Government of India, Ministry of Higher & Technical Education, Maharashtra, AIU, AICTE etc.

In view of the importance of the cause and effectiveness of the academic discourse, we request you to encourage the students of your university and of their affiliated institutions to participate in the Indian Students' Parliament.

The students can do online registration through the website www.bharatiyachhatrasansad.org and for more information or clarification about the registration process and formalities the Office of Shri. The Youth to Youth connect is an additional integral component of the conclave, which inculcates in them the values of teambuilding and help them connect with their contemporaries from distant lands of India.

ABOUT BHARATIYA CHHATRA SANSAD INDIAN STUDENT PARLIAMENT

The Father of the Nation Mahatma Gandhi once said **'BE THE CHANGE THAT YOU WANT TO SEE'**.

We all talk about the change we want in governance, but are not willing to contribute where it matters the most. A Government representing the resurgent youth of Bharat will remain a farfetched idea unless spirited, educated and trained young men and women participate in political and democratic processes.

Bharatiya Chhatra Sansad is the largest classroom of India & the World, which is revolutionizing the mindset of young generation and igniting their spirit to enter public life through politics, with a defined purpose to serve the nation. It is a truly apolitical movement and does not engage in any mainstream party politics. It is transforming the outlook of youth and reaffirming their respect for democracy and its institutions. It is raising the extent of their involvement, interest access and their say in political and democratic processes. The platform has also turned out to be a bridge between political parties and the aspiring youth, willing to choose politics as a career with commitment.

Rahul V. Karad
Founder, BCS

VISION

To create ethical, spirited and competent public leadership in the country, which will shape our policies, make our democracy vibrant and bridge the chasm between the way we are being governed and the way we want to be governed.

MISSION

To ignite the spirit of politics in the youth of today and inculcate public spirited and socially sensitive values during their formative years. We aim to raise the extent of sensitivity, awareness, involvement, responsiveness, access and say of youth in political and democratic processes so that a healthy democratic system is evolved to produce competent public leaders and policy makers, from the grassroots and from all walks of life.

WHY PARTICIPATE IN BHARATIYA CHHATRA SANSAD

OBJECTIVES

- Connect Politically / Socially active youth of India on one platform for the common purpose of strengthening democracy and to inculcate a national vision.
- Create in them respect for politics, political leaders, democracy and its institutions and train them for future leadership of the country.
- Raise their awareness, intellect and sensitivity to social & political issues, encourage and motivate students to embrace public life in service to the nation.
- Promote national and regional understanding, inter-cultural dialogue and diversity of ideas and practices.
- Contribute to the personal skills development of Indian youth.
- Provide a forum in which young people can express their own opinions, interact with eminent personalities from different spectrums of life, take pledge to uphold democratic values, pass resolutions for social good and submit it to the government for consideration and action.

IMPACT

- All the resolutions passed at the annual national conclave are compiled as the 'Declaration' of the Bharatiya Chhatra Sansad and are submitted to the relevant policy making bodies of union

Bharatiya Chhatra Sansad

has created a youth movement by connecting thousands of youth across the nation with hope and assurance. Politically and socially active students from 450 universities from all states of Bharat go through a rigorous selection process adopted by their colleges independently and 10000 - 12000 of them finally get an opportunity to participate in the flagship annual conclave of BCS. These young leaders are engaged in absorbing academic sessions to discuss and deliberate on a wide range of significant issues. A number of political leaders, thought leaders, intellectual giants, industrial leaders and youth icons of national and international eminence, from all walks of life and spectrum of ideologies provide them the context, analysis, courage, insight and perspective so that they can dream bigger, see clearer and speak louder.

and state governments. The relevant resolutions are also submitted to the United Nations and UNESCO for their cognizance.

- Participants are provided with the opportunity for a 10-day National Study Tour to Delhi, wherein they are exposed to various democratic institutions of national importance. Interactive sessions are held with constitutional authorities, political leaders and leaders from media sector.
- BCS also develops Entrepreneurial spirit - Conceptualize and establish one's own NGO or political party to transform specific areas in the Socio-Political arena.
- Based on the ideological affinity and interest, inclined, equipped and bright minds are sifted every year to undergo short term political leadership training program at the MIT School of Government. The BCS platform acts as a bridge between the Political Parties and Spirited Youth to provide sensitive and groomed leadership to the country.
