Dated 07.07.2023

**ADVISORY**

It has been brought to our notice about receiving of messages on Whatsapp group in which communal, objectionable and hate messages are being forwarded and circulated. As a responsible student and member of the society, we need to be careful about our involvement in the Social media. Hence, all social media groups created for students need to be used only for academic purposes and no other messages, images or chats should be included in it. No group is allowed to use the University name in any Social media group without prior permission.

All students and all admins of the group are requested to delete all such messages immediately. Incase, If any group is not found to be sensitive to our appeal, we would be constrained to report such matters to Cybercrime for further necessary action.
