CIRCULAR

Sub: Reminder to Submit Monthly Fellowship Bills by Non-NET Fellowship Holders – Reg.

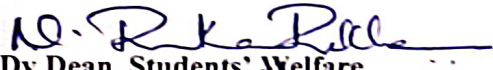

Despite our previous reminders via emails and circulars, we have noticed that many Non-NET Fellowship Holders have not yet submitted their monthly fellowship bills through the FAMOUS portal for their eligible periods.

Therefore, we once again advise all Non-NET Fellowship Holders to raise their monthly fellowship payment bills/claims for the eligible sanctioned period (up to the month of March 2024) through the FAMOUS Portal and submit the same to the Fellowships & Scholarships Section on or before 14.03.2024 (5.30 PM). Please ensure that you obtain the necessary certifications and signatures (confirming an active on-roll PhD Semester Registration status) from your respective supervisors/Heads/Deans before submitting the bills to the Fellowships & Scholarships Section.

Additionally, we also advise all Non-NET Fellowship Holders to claim their monthly fellowship for the month of March 2024 by raising a direct bill through the FAMOUS portal and submitting it to the Fellowships & Scholarships Section on or before 14.03.2024 (5.30 PM). This will allow our section to forward the bills to the Finance & Accounts before the due date of 15.03.2024, as stipulated by F&A.

It is important to note that failure to comply with these submission deadlines may result in the non-entitlement of your Non-NET fellowship and contingency after the end of the financial year 2023-24, as any unspent balances will be lapsed or returned to the MoE/UGC as per their revised guidelines.

We strongly advise all Non-NET Fellowship Holders to adhere to these instructions without fail.
