Subject: Advisory on Enhancing Security Measures Following Recent Theft Incidents – Reg.

It has come to our attention that there have been series of incidents of thefts in our university recently. We are deeply concerned about these incidents and are taking all necessary steps to enhance our security measures.

To further safeguard our property and personal belongings, we strongly advise all stakeholders to adhere to the following security practices:

- 1. Lock Everything Up:** Make sure that all doors, and any other entry points are securely locked when not in use. Please ensure that all windows are closed in the evening. Consider using high-quality locks and upgrading to more secure options if needed.
- 2. Keep Valuables Safe:** Store personal items and valuables in locked places. Don't leave them where they can be easily seen or accessed.
- 3. Report Suspicious Activity:** If you notice any unusual or suspicious behavior in or around our premises, please report it immediately to Security Office, Admin Building at 040 -23132424 or I000/I001.
- 4. Coordinate with Security:** Regularly check and coordinate with our security team to ensure that all security protocols are followed and that any potential vulnerabilities are addressed promptly.
- 5. Be Vigilant:** Please stay alert and be aware of your surroundings. Encourage others to do the same, and maintain a culture of vigilance and mutual support within our community. Let's all work together to keep our campus safe.

Thank you for your help in making our university a safer place. Your vigilance and cooperation are greatly appreciated.
