

Health Centre
Dt: 28.08.2024

OFFICE NOTE

The Doctors of the Health Centre are requested to follow up the cases referred by them to the referral hospitals until they are discharged including their estimates, sanctions etc. with regards to employees and insurance entitlement and claims with regards to students.

Any queries by the patients with regards to their admission, billing, discharge etc, the referral doctor of the Health Centre should follow up with them and do the needful accordingly.
